

The Uncanny (Colne) Valley: A Mind-Bending Psychogeographic Weekend

Experience an extraordinary fusion of psychogeography and artificial intelligence as Huddersfield becomes a playground for exploration and discovery. Join us for an immersive weekend where the realms of AI, ChatGPT, the Uncanny (Colne) Valley, and real life intertwine, creating an unparalleled adventure you won't want to miss!

Saturday, 29th July

'ChatGPT Sings Huddersfield' EP Launch

10:00 AM - St. Georges Square (Statue of Harold Wilson)

Be a part of history as we unveil our groundbreaking EP featuring songs about the essence of Huddersfield. With lyrics crafted by ChatGPT and performed by The Internet, immerse yourself in an auditory experience like no other. Let the streets of Huddersfield reverberate with the harmonies of artificial intelligence and human collaboration.

Monopolising Huddersfield

2:00 PM - St. Georges Square (Statue of Harold Wilson)

Transform the traditional Monopoly board into a real-life adventure! Let ChatGPT guide you through the streets of Huddersfield as you navigate properties, chance cards, and unexpected encounters. Discover hidden gems and unlock the city's secrets in a playful journey that blurs the boundaries between reality and the virtual world.

Sunday, 30th July

Non-Places: An Uncharted Walk

10:00 AM – Market Cross, Market Square: near Barclays Bank

Embark on a mesmerizing walk through the streets of Huddersfield, guided by ChatGPT. Experience a surreal exploration of non-places—unique locations discovered by ChatGPT, unseen by human eyes. Delve into the enigmatic allure of these mysterious sites and uncover the hidden narratives they hold.

Ongoing Throughout the Weekend

The Uncanny Valley Photography Competition

Capture the essence of the Uncanny Valley through your lens! Throughout the weekend, be inspired by the intriguing relationship between artificial intelligence, ChatGPT, and the real world.

Submit your most captivating photograph exploring the depths of the Uncanny Valley to codedwalls@gmail.com by 3rd August, for a chance to win exciting prizes.

See separate note on the Uncanny Valley concept: you can download this from <https://www.codedwalls.com/static/HuddersfieldUncannyValley.pdf>
