

## Huddersfield Yards - about this event

- We hope that you will start when and where you like, on Saturday 6 September 2022, in central Huddersfield, between 10.00am and 12.00am. Find the old yards of Huddersfield - see map at <https://huddersfield.exposed/wiki/Category:Yards>
- Look for hidden data in six of the yards. Stop when and where you like.
- Track and share your activities on a common display, and analyse where other players are.
- Try to photograph other players and post them on Twitter, with the hashtag #hyards.
- Don't ignore warnings that the Luddites or the Militia are coming!  
When you sign up we will send you further details of how to find hidden data in the yards, and how to access the game web site.
